EXPERIENCE

Senior Video Editor

Homes.com, January 2024 - Current
501 S 5th St. Richmond VA 23219

Edit videos for website publication, ensuring the highest quality, accuracy, and quick turnarounds using Adobe Premiere and DaVinci Resolve. Cut to voice-over and music, stabilize footage, add color correction, and mix sound design. Review and score my team of editors' videos for adherence to a style guide, quality, and accuracy, providing constructive actionable feedback. Assist with directing marketing photoshoots and photography directives as needed. Improve the editing workflows to increase speed and efficiency.
